This wireframe illustrates the layout of a website for a Skin Therapy Service. The header includes a logo placeholder, navigation links for Home, Services, Products, Booking, Blog, Gallery, and Contact, and information about operating hours (Mon-Fri 10am-7pm, Sat 10am-5pm) and phone number (604-441-1236). The main content area features a post titled 'WAX TIPS!' with a placeholder image, a redacted body of text, and a comment section with a placeholder for a comment box and a 'Post Comment' button. Navigation arrows point to previous and next posts. A yellow sticky note labeled 'Single.php' is attached to the right of the post area. The sidebar contains a placeholder for a 'Popular Posts' widget, a placeholder for a 'Custom Sidebar Widget with WordPress Popular Posts Plugin, Categories and Tag Cloud', a placeholder for a 'Categories' section listing categories like Category1, Category2, Category3, Category4, and Category5, a placeholder for a 'Tags' section listing tags like Tag1, Tag2, Tag3, and Tag4, and an 'Arrow - back to top' link. The footer provides address, contact, open time details, and social media links.
